THE IMPORTANCE OF KNOWLEDGE

Reading where Moses saw the Promise Land and standing on the same mountain top is a very different experience. Sign up Today and reserve your spot.

Touched By Grace Biblical Experiences now operate in 7 countries!

Testimonies:

“Both of you overwhelmed our family with love, compassion, sensitivity and thoughtfulness. We are blessed to have been with you during our inaugural time into Israel! It was simply a perfect trip, led by a devoted couple who love Israel and are trying to share this love and passion with others. It is hard to put into words what this trip means to us, as a family and individually, with the emotions, memories and experiences we had. In other words—THANK YOU for sharing Israel with us. I have no doubt that we will return to explore more of our love for Israel and the people of the land” - Chuck & Mary Warner

Cyprus: Starting From \$1,500.00

Come to Cyprus and connect your history with the Bible as you watch the different cultures mix together into one huge island. A place of refuge for Hebrews, Cyprus has an extensive history and close ties with the Bible. The good thing is, it's nearly always sunny here.

Jordan: Starting From \$1,500.00

Much like the rest of the Middle-East, Jordan has its fair share of sand and sun. What makes it different is its history and ties with the Word of God. Ever wondered where Mount Nebo is located? How about where Jacob became Israel? Sign up today and see the Bible come to life as you walk through time.

Greece: Starting From \$2,000.00

Ancient Greece is known for its history and wars, but a lesser known fact was that Shaul/Paul himself was there, preaching and teaching the Gospel of Jesus Christ. Sign up today and walk in the steps of one of the most famous Apostles known to this day.
